DESTROYER PREPARED TO REACH ANY PLANE IN DISTRESS IN HOUR

Extra Motors and Skilled Mechanics Await Flyers on Ship in Azores.

PONTA DELGADO, the Asores, Pussday, May 13 (Associated Press). -The metorological ships between the Apores and Newfoundland report a storm moving over the course of the American scaplane flight to-day, but predict good weather for to-morrow with strong northwesterly winds. it is believed here that the seaplaned will stall from Trepassey to-morrow,

The destroyers which are stretched sut at fifty-mile intervals along the hourse to guide and assist the flyers will emit heavy black smoke the day of the flight and will burn flares and shoot star shells at night. At no time will the scaplanes be more than thirty minutes' flying distance from a destroyer. A destroyer will be able

to reach a plane, if it is forced to alight, within an hour.

The planes will fly direct to Ponta Delgado and land in the bay. If they are unable to complete the journey, however, they will land at liferation and the headed north but with the wind favoring the diright to cruiser Columbia is stationed with supplies to facilitate the continuance of the flight to Ponta Delgado. The planes will remain moored in the supplies to facilitate the continuance of the flight to Ponta Delgado. At 5:30 o'clock the doors on the hangar were moved back, and at 7:15 a big blast was blown from the siren, signalling all hands. The men piled out from the mem hall with a mighty shout and rushed across the big green to the hangar, where they fined up on each side of the dirigible. Two Leap at Him With Re-Lieut, Balph Norris of Cheisea,

Lieut. Raiph Norris of Cheises.

Mass., who has charge of the handiing of the dirigible when it is in the hangar and all preparations for the flight, gave orders to the men. Three hundred gobs sided in launching the ship in the air.

The officers of the station then gathered around the dirigible and shook hands with the crew. They were six men on the C-5. It was commanded by Lieut. Commander E. W. Coil of Marietta, Ohio, pilot. The others in the crew are: Coxswain, Lieutenant, Junior Grade, E. O. Campbell, Lynn, Ky.; Pilot, Lieutenant, Junior Grade, J. B. Lawrence. St. Paul, Minn.; Radio Operator, Ensign M. H. Estoriey, Youngstown, Ohio: Engineers, Chief Machinist Mates, C. H. Blackburn of Walker, Winn., and T. L. Mooreman, Lawyers, Va.

Va.

As he was about to get into the basket Lieut, Campbell said: "God be with us till we meet again."

"We will be with the scaplanes yet," said Commander Coll.

At 5 o'clock sharp the dirigible rose in the air, headed south directly in the wind, circled around in an opposite direction and the headed partit.

120 horse power, two two-bladed pro-pellers, is 192 feet long and has a capacity of 170,000 cubic feet of gas. The Collie dog "Blimp," which runs along the ground for a considerable distance every time the dirigible makes a flight, followed its usual cus-tors, to the cubic state of the con-tors. EBERT IN BITTER FROM PUBLIC BUILDINGS ATTACK ON WIL SAYS HE'LL STICK

German President Rejects Idea That His Government Will Quit in This Crisis.

Owing to the almost unprecedented congestion of the transatiantic cables. the following report of a statement made by President Ebert of Germany on Sunday to the Berlin correspondent of the Associated Press was not received until to-day:

BERLIN, Sunday, May 11 (Assoclated Press).-Declaring that the terms of peace presented by the Allied and Associated Governments to Germany "contemplate the physical, moral and intellectual paralysis of the German people;" that Germans were "hypnotized" by statements made by President Wilson, and that he himself is looking forward to the future "with gravest apprehensions," President Ebert said to-day that he still hoped that American democracy declared Burke, removing his Lord would not accept the treaty framed

He rejected with disdain the sug-Chairman Burlingame agreed that gestion that the present German government would resign rather than accept or reject the terms, saying that the government would "hold out to

"When in the course of 2,000 years, mittee accepted Burke's testimony, I intellectual paralysis as do the terms

"In his message to Congress on December 4, 1917, President Wilson said: 'The frightful injustice committed in the course of this war must a clo not be made good by wishing a similar injustice on Germany and her that I had not, whereupon Mr. Glynn judgment on the question of its Allies. The world would not tolerate the commission of a similar injustice as reprisal and realignment." [In his message to Congress re-

ferred to in the foregoing paragraph, delivered when he asked that a state of war be declared to exst between the United States and Austria-Hungary, President Wilson said: "The wrongs, the very deep wrongs committed in this war must be righted. That, of course. But they can not and must not be righted by the commission of similar wrongs against Germany and her Allies. The world will not permit the commission of similar wrongs as a means of reparation and settlement.)

"The German people," President Ebert continued, "is only beginning and came back, occupying a rear to awake from the hypnosis into sent while Senator Thompson was which it has been lulied because of which it has been lulled because of its solid faith in the sincerity and Senator Thompson said that in July, truthfulness of Mr. Wilson's program 316, while the Thompson investigat- and his Fourteen Points. The awakening committee was in session, he met ing will be terrifying and we all look Burke at the entrance to the grill forward to it with gravest apprehenroom of the Biltmore Hotel. He said sions. In the face of the cold, naked realities, we still consciously cling to the faith which found its epitome in (Thompson) was going to run again the names of Wilson and the United for the Senate, and if so, whether States and the conception of the democracy of the League of Nations.

"We cannot believe that this has all been an illusion and that the confidence and hopes of a whole people have been duped in a manner unknown to history. Even now, op-timists are saying: Wilson will not permit it, he dare not possibly permit The President added that he and

his party could not blame the Pan-Germans for the "immodest haste with which they are now digging up their former speeches and editorials in which the Social Democrats and other Liberals were ridiculed for their belief in President Wilson's pro-

"I and my colleagues," he said in "I and my colleagues," he said in conclusion, "upon whom rests the terrific burden of the forthcoming decisions hope and pray the German people who staked all on Fresident Wilson and the United States shall not find themselves deceived. If the American democracy actually accepts American democracy actually accepts the present peace terms as its own, it becomes an accomplice and an abetter of political blackmailers; it surrenders the traditional American principle of fair play and sportsmanship and trails the ideals of true democracy in the dust. Notwithstanding the night now covering it, have abiding faith in the future I have abiding faith in the future of the German people and in the un-conquerability of its soil. This people, which has given the world so much in science, learning and industry, must not go down to oblivion. It still has a cultural mission to per-form and ethical treasures to bestow." President Ebert closed his state-ment by declaring the present gov-ernment would "hold out to the last," and scouted the idea that it would "make room for others to accept or reject the treaty."

NEW FOOD BLOCKADE TO BE THE FIRST STEP IN COERCING GERMANS

Conference Makes Plans to Meet Refusal to Sign. PARIS, May 14 (Associated Press).

The Supreme Economic Council yesterday considered economic measures that may be taken against Germany in case her delegates refuse to aign the peace treaty. The project which has been prepared, having in

view the re-establishment of a strict COUNCIL OF FOUR blockade, will be banded over to the Council of Four for eventual applica-

The Economic Council has decided to maintain a strict blockade of Hungary so long as the political situation there remains uncertain.

The Council of Four appointed this afternoon a sub-committee comprising one member from each of the live great powers (Great Britain, France, Italy, the United States and Japan) to deal with objections and proposals from the German peace
